

**Bible Centred
Jesus Focussed
Kingdom Minded**

WELCOME

Thank you very much for looking at this pastoral opportunity. We at Kinmel Bay Church believe that the Holy Spirit will lead us to the man of the Lord's choosing and are actively praying for the right man to come and lead us in pastoral ministry. As you are reading this we know that you also are actively praying about your future.

We know you will want a lot more information about both the role and the church so please click here to download (a) Job Description (b) *Life@KBC* which is produced for potential church members but which will give you an overview of who we are and how we do things, and (c) Details of the application & interview process.

Please spend some time reading through and praying over the information. If you believe that God might be calling you to KBC then feel free to follow the application process, or if you would initially prefer an informal chat about KBC please contact the elders on admin@kinmelbaychurch.org.uk and leave us your name, telephone number and any other details you wish. One of the elders will phone you back at a convenient time for a chat.

May the Lord bless you in all your deliberations over your future.

Kevin, Darren & Eric

(The Elders @KBC)
