## Insurance Account Executive / Senior Account Executive

After the change in ownership in 2020, the Bank is growing rapidly. It is fast becoming the go-to Bank for the evangelical church in the UK who want to ensure their money is used for Kingdom purposes. Because of this growth we'd like to hire a new Insurance Executive or Senior Insurance Executive to join our Insurance Team.

The nature of this role is such that there is an Occupational Requirement for the successful applicant to be a committed Christian.

Our culture is to be hard-working and professional, yet informal and caring. Team members take responsibility for balancing flexibility in their individual working patterns whilst supporting each other and delivering great customer service. We are committed to training and development, and to progression wherever possible.
