# Our Vision

Our vision is to deepen our relationship with God, and to continue to reach out to others with love, compassion, and the hope of the gospel.

We believe that the Church is key to transforming our local community – and that by working closely with our members and alongside other local churches, we can help transform our society with the gospel.

We aim to do this through our personal walk with Christ and by following Jesus' example. By the grace of God, we offer both spiritual and practical support of all kinds, walking alongside one another in faith, love, and service.

# Our church

Shoreditch Tabernacle Baptist Church (Shoreditch Tab) has been a part of the community in East London for almost 200 years. Shoreditch Tab is a growing church and we have a growing core of committed and hardworking members who have sustained the church; through the grace of God, over many years. We want Shoreditch Tab Church to be a welcoming home for people of all ages and backgrounds; a place where everyone can feel part of the family.

# Main purpose of the role

---

The role of Children's & Families Pastor is integral to our vision as we enter an exciting new season at Shoreditch Tab. We are a culturally diverse, multi-generational church family, growing both in number and faith. We long to offer excellent, creative children's and youth work that reflects the love and hope of Jesus.

Our aim is to build on the community work we're already doing with children and their families, helping them to feel truly at home in our church and encouraging regular Sunday engagement. We envision a parent-and-toddler group during the week and an after-school programme for 4-11s that supports both church and local community families. We want to create a natural flow between our community and church offering a welcoming, faith-filled space where families can grow together and children can encounter God's love and be equipped to follow Jesus.
