About Daylight

Daylight seeks to take the wonderful light of the gospel of the LORD Jesus into the “darkness of prison”. Working alongside local Bible-believing churches, and through HMPPS and Community Chaplaincy networks, we aspire to be a nationally reaching, locally rooted provider of the highest quality gospel ministry to prisoners and ex-offenders. Providing prisoners and their families with Biblical guidance, and assisting them to lead God-honouring and socially useful lives on release.

Having recently celebrated our 20th Anniversary we are refocussing our efforts to build local teams across the UK and to offer a Daylight Prison Chaplain to every prison that wants one. In 2025 we were active in 39 prisons and saw both our Letter Writing and Written Messages ministries more than treble in size.

Our Christian faith is the reason for all we do. With John Bradford we often say, “there but for the grace of God go I”, and we would with Paul, “labour more abundantly..., yet not I, but the grace of God within me.”

Overview of Role

Daylight is a national charity currently predominantly funded by Churches and individual Christians, with a small but significant income stream from trusts and foundations. Having recently re-visioned for a post COVID / intranet-in-prison age we recently celebrated our 20th Anniversary and are positioning for growth.

- Ensure we meet the funders reporting requirements, and that grant payments and income are monitored and reported against.
- Travel to represent Daylight at funding opportunities and events.
- Where required, support office team and Daylight initiatives, including:
 - the preparation of funding applications by members of the team to other donors;
 - the current work reaching smaller trusts (<£5k)
 - by encouraging and recruiting Supporter Churches
 - liaise with and support the work with Individual Supporters.
 - input to Daylight's wider work
